

Cozy Toes—2008 Collection

Hi! I am **Grayson Esslinger** and I'm 13 years old. 7 years ago I started a non-profit organization called Cozy Toes. 4 years ago my cousins Shayna and Alicia Putney started a new chapter in New Berlin, WI. My other cousins Hannah and Emma Risley also started a chapter in Phoenix, AZ. I love that they have joined me in collecting and helping others!

Help kids less
fortunate than you.

In 2008, **my goal is 1000 pair of shoes**. Right now I have about 300 in-house. With my middle school commitments and my gymnastics schedule, I need your help to meet my goal. Although I collect all year, the official drive is during the Fall. This will give me time to collect, clean, organize and deliver before the cold weather sets in. Please look in your closet, at rummage sales or feel free to send donations (receipts provided at your request). With **over 5000 pair delivered** since 2001, let's not stop the momentum. We have a box on our doorstep at 3135 Spring Valley Road, at Oshkosh Gymnastics Center on 20th Street in Oshkosh, and at Service Oil Company (CITGO) on Omro Road.
